

COVID-19 VACCINE

Everything you need to know with SHN's Infectious Disease Specialist, Dr. Reena Lovinsky

The COVID-19 Vaccine: What you need to know with SHN's Infectious Disease Specialist, Dr. Reena Lovinsky

The COVID-19 vaccine is now being rolled out across the globe, and SHN has started priority vaccinations of our Scarborough community. With some hesitancy to get the vaccine and misinformation, SHN's expert Infectious Disease Specialist, Dr. Reena Lovinsky, covers everything you need to know about the shot.
